

WRITING YOUR DATING APP BIO: *mad libs style*

STYLE ^{MY} PROFILE

Remember how Mad Libs took the hard work out of writing a story?

Now you can take all the hard work out of writing your dating app bio (arguably the hardest story to write of all!) with this Mad Libs-style bio template. Brainstorm a handful of things about yourself: activities you love, recipes you aspire to cook, quirks that make you you. Plunk them into this bio template, and you've got a brand new, eye-catching bio.

01. If you're _____, always _____, and prefer _____ over _____, I'm your _____.
personality trait you find fun action you find admirable
cultural reference cultural reference synonym for match
I'm also _____. If I like you, I might _____ :)
quirky activity you enjoy way of joining said activity

If you're picky about what kind of coffee you drink, put your phone away during dinner, and prefer Coen Brothers over Steven Spielberg, I'm your girl (woman? person?). I'm also volunteering at my local library. If we hit it off, I might teach you the Dewey decimal system

02. _____ extraordinaire, semi-professional _____,
mundane activity you excel at quirky activity you enjoy
never _____ . I won't bore you with stories about _____
dramatic thing you've never done generic topic
or _____.
generic topic

Example: Parallel parker extraordinaire, semi-professional bathroom singer, never been in jail (except when playing Monopoly). I won't bore you with stories about my dog or my children.

03. I'm a _____, _____ person who likes to _____.
adjective that sums you up adjective that sums you up adjective that sums you up
I _____ because I'm a wannabe _____ who
activity or hobby you love a professional at your hobby
became a _____. Also, I love to spend time off _____ :
your current job another thing you love to do
_____ and _____ are my thing.
aspect of that activity aspect of that activity

Example: I'm a warm, sensitive person who likes to take care of others. I volunteer at the Museum of Modern Art whenever possible because I'm a wannabe Picasso who became an ophthalmologist. Also, I love to spend time off walking through new cities: street art and checking out hole in the wall coffee shops are my thing.
